KN

## DESCRIPTION

When the sun is working against you, EyeArmor Tactical+ Tinted keeps you focused.

Designed for outdoor shooting, hunting, and field use, the dark lenses reduce glare while delivering ballistic-rated impact protection, UV defense, and lasting clarity.

Built with a lightweight, ventilated frame and adjustable fit that won't quit before you do.

## STANDARDS

## FEATURES

### READY FOR THE ROUGH STUFF.

Ballistic-rated lenses deliver serious protection against impacts.

### LOCKED IN. NOT LOCKING UP.

Flexible temples and an adjustable nose piece stay put without squeezing.

### BEAT THE GLARE.

UV385 tinted lenses fight harmful rays and bright conditions.

### SEE IT THROUGH.

Anti-fog and anti-scratch coatings keep your view clear.
